How will I find out if I make the team??

Coaches will be calling players within 1 week following the final placement session, welcoming them to the team and confirming their commitment to RAGE. Rosters will be posted on the RAGE website when all phone calls and commitments have been made. **please remember that for current RAGE comp players the placement process is year round – it is not solely based on the two days of placement**

Please see the following link for the RAGE philosophy on team placement and player development:

NOTE: You will not receive a call if you are not selected for a team. Following all phone calls and player commitments, an email will be sent to all players who are not selected. If you do not make a team, we encourage you to email the staff member in charge of the age group and ask what you need to work on for next year. RAGE makes every effort to place all players who have the ability to play competitive soccer.

****Parent Meeting for all 2008 teams will be held March 2, 7-8pm at Hart Middle School MPR (4433 Willow Rd, Pleasanton). Please check the RAGE website (team roster page) for paperwork that needs to be submitted as soon as team rosters are posted.**
