## RAGE Kicks Cancer

RAGE is proud to announce our 4th annual RAGE Kicks Cancer event. Our mission at RAGE is to develop players both on and off the field. By participating in community events like RAGE Kicks Cancer, we are directly supporting women in Pleasanton and surrounding areas who are battling cancer. Our hope is to instill in our players a love for giving back to the community and supporting women in need.

We are continuing our partnership with Culinary Angels, which is a volunteer, donation-based organization that provides nutrient-rich

### Competitive/Select Fall Player Evaluations

All Comp and Select families will be able to access their player's Fall season evaluation in TGS and meet with your coach to review, prior to our winter break (December 18-January 2). Emails will be sent when your evaluation is complete, at which time your coach will also work with you to schedule your meeting. This evaluation is only accessible via a PLAYER'S TGS account, not a PARENT'S account. If needed, you can access the player account username/email address on the

### Referee Shortage Info

While our referee pool is growing, we are still far from pre-COVID numbers. This is a trend felt throughout NorCal and the country. As we continue to grow this pool, please note that over 60% of registered referees in Northern California are new to refereeing in the 2023-2024 season, and the majority of those referees are 13 years old, the initial age at which you can
